Additional Notes:

I understand that the consultation should not be construed as a substitute for medical examination, diagnosis or medical treatment. I understand that Flirty Skin is not qualified to perform, diagnose, prescribe or treat any physical or mental illness and that nothing said in the course of the consultation given should be construed as such.

Because certain treatments should not be performed under certain medical conditions, I affirm that I have stated all of my known medical conditions and answered all questions honestly. I agree to keep Flirty Skin updated as to any changes in my medical profile and understand that there shall be no liability on Flirty Skin's part should I fail to do so.
